

CURRICULUM VITAE

Daniel T. Halperin

November 2016

dhalpe@gmail.com <http://danielhalperin.web.unc.edu> www.tinderboxbook.com

Education

- B.A. University of California at Berkeley, 1979, Economics; Development Studies (Honors)
- M.S. University of California at Berkeley, 1982, Health and Medical Sciences
- M.C.A.T. Hahnemann Medical College, Philadelphia, 1992, Creative Arts Therapies
- Ph.D. Univ. of Calif. Berkeley, 1995, Medical/Cultural Anthropology; Public Health Nutrition
(Postdoctoral Training) University of California at Berkeley (1995-1998), HIV/STD Epidemiology

Employment and Positions

- 2011- Adjunct (Full) Professor, Gillings School of Global Public Health, University of North Carolina, Chapel Hill
- 2015- Visiting Senior Research Scientist, Florida International University, Miami
- 2015-2016 Visiting Lecturer/Senior Research Scientist, Escuela Superior Politecnica de Chimborazo (ESPOCH), Riobamba, Ecuador
- 2013-2015 Professor of Epidemiology/Coordinator of Doctoral Program in Public Health, Ponce School of Medicine & Health Sciences, Puerto Rico
- 2013-2014 Visiting Senior Research Scientist/Lecturer, Facultad Latinoamericana de Ciencias Sociales (FLACSO), Quito, Ecuador
- 2006-2011 Lecturer in Global Health/Senior Research Scientist, Harvard School of Public Health
- 2005-2006 Senior Prevention Technical Advisor, United States Agency for International Development (USAID), Southern Africa Regional HIV/AIDS Program, Pretoria
- 2001-2005 Senior Technical Advisor, Prevention/Behavior Change Programs, USAID Office of HIV/AIDS, Washington D.C.
- 2001 Visiting Professor, University of Witwatersrand, Anthropology Department and HIV/AIDS Graduate Research Program, Johannesburg, South Africa
- 1998-2001 Assistant Professor, University of California at San Francisco (UCSF); Community Health Systems Department, Center for AIDS Prevention Studies (CAPS)

- 1995-1998 Postdoctoral Research Fellow, University of California at Berkeley School of Public Health, HIV/STD Epidemiology and Prevention
- 1980-1992 Instructor, UC Berkeley; School of Public Health, Anthropology Department, College of Natural Resources, Spanish Department (not continuous)
- 1987-88 Organizer, International Research Conferences, UC Berkeley/Columbia University
- 1983-1984 Assistant Professor, City University of New York, Romance Languages Department

Awards, Grants, and Fellowships

- 2015-2017 United States Department of Agriculture, Research grant for study of obesity prevention in Puerto Rican young adults, \$150,000.
- 2015-2016 Escuela Superior Politecnica de Chimborazo (ESPOCH)/Ecuadorian government (Proyecto Prometeo), Research fellowship on dietary and other nutrition-related issues in the Andean region, \$65,000
- 2013-2014 Facultad Latinoamericana de Ciencias Sociales (FLACSO)/Ecuadorian government (Proyecto Prometeo), Research fellowship on obesity and other diet-related issues in the Andean region, \$30,000.
- 2013 Ponce School of Medicine & Health Sciences, Puerto Rico, Small research grant for qualitative study on obesity prevention in Puerto Rico, \$2,500.
- 2013 The New York Times, “Editor’s Choice” selection for *Tinderbox: How the West Sparked the AIDS Epidemic and How the World Can Finally Overcome It*, by Craig Timberg and Daniel Halperin ([Penguin Books](#)).
- 2012 United Nations Foundation, Research grant on integration of family planning and HIV-AIDS programs, \$20,000 (co-investigator Nomi Fuchs).
- 2012 Centers for Disease Control (CDC), Behavioral and Social Science Division, Atlanta, Annual Award Ceremony Honored Guest Speaker.
- 2011 United Nations Foundation, Research grant on international family planning policy, \$50,000 (co-investigator Richard Cizik).
- 2006-2010 Harvard AIDS Prevention Research Project, John Templeton Foundation Grant #11869-11874, \$2,246,500, Co-Principal Investigator; conducting and overseeing epidemiological and social science research on behavior change and HIV prevention.
- 2008 Global Alliance to Immunize against AIDS/Brown University, Providence, International Hope is a Vaccine Award.
- 2008 Hahnemann Medical College/Drexel, Philadelphia, Award for Service to Profession.

- 2007 USAID, Office of HIV-AIDS, Superior Award for Outstanding Career Achievement.
- 2003 American Public Health Association, Best International Paper on HIV-AIDS.
- 1999-2001 University of California AIDS Research Program Grant #K99-SF-167 ("A Neglected HIV Risk Factor: The Male Circumcision Decision"), \$100,000, Principal Investigator; survey, hospital record, and ethnographic study of the practice and acceptability of neonatal circumcision services at San Francisco General Hospital.
- 1999-2000 NIH (NIMH) RO-1 Grant #U-10MH6153601 ("Collaborative HIV/STD Prevention Trial"), UCSF (CAPS) and Cayetano Heredia University, Lima, Peru, \$3,300,000, Project Anthropologist; directing qualitative research at Peru site of a multi-country, community randomized prevention trial with behavioral and biological outcomes.
- 1999 Wenner-Gren Foundation for Anthropological Research, Field Research (São Luís, Brazil) and Writing Fellowship #6409, \$14,600.
- 1998-1999 University of California AIDS Research Program Grant #R97-SF-117 ("A Grounded Theory of HIV-AIDS Symptom Management"), UCSF Community Health Systems Department, \$110,000, Project Director; managing multi-site study of medication adherence issues, conducting bilingual interviews, data analysis, etc.
- 1998-1999 NIH (NIRR) P-30 Center Grant #NR03927 ("Research Center for Symptom Management"), UCSF School of Nursing, \$242,038, Research Support Director; managing research support and advanced faculty training activities.
- 1995-98 NIH (NIAAA) Postdoctoral Training Grant #T532AA07240, UC Berkeley School of Public Health, Research Fellowship in HIV-STD Epidemiology (\$116,000).
- 1995 UC Berkeley Graduate Social Science Research Scholarship, \$8,000.
- 1995 American Anthropological Association, Volney Stefflre Award for Best Scientific Paper (\$500).
- 1992-93 Smithsonian Institution, Anthropology Film Archives, Washington DC. Visiting Scholar Fellowship, \$4400.
- 1992 Common Boundary journal, Best Dissertation Essay (\$500).
- 1991 Fulbright Travel Research Fellowship, Northeastern Brazil, \$7,000.
- 1989-90 Hahnemann Medical College, Philadelphia, Academic Scholarship, \$7,500.
- 1980 Inter-American Foundation, Master's Research Fellowship, Honduras, \$9,000.
- 1979-80 US Department of Education/University of California Regents, Foreign Language and Area Studies Graduate Fellowship, \$12,000.

Book

2012 Timberg, C. and Halperin, D. *Tinderbox: How the West Sparked the AIDS Epidemic and How the World Can Finally Overcome It*. Penguin Books (<http://www.tinderboxbook.com>)

Publications in Peer-Reviewed Journals

- 1993- Smithsonian Institution Anthropology Film Archives, Washington, D.C. Annotated video collection, 50 hours of original ethnographic footage of northern Brazilian healing rituals.

Relevant Research/Technical and Consulting Activities

- 2015-2017 Lead researcher for study of obesity prevention in Puerto Rican young adults, USDA.
- 2015-2016 Senior researcher on dietary/nutritional study in the Andean region of Ecuador, Escuela Superior Politecnica de Chimborazo (ESPOCH), Riobamba.

- 2013-2014 Senior researcher on obesity/dietary study in Andean region of Ecuador, Facultad Latinoamericana de Ciencias Sociales (FLACSO), Quito, Ecuador.
- 2013 Lead researcher for qualitative study on obesity prevention in Puerto Rico, Ponce School of Medicine & Health Sciences, Puerto Rico.
- 2006-2012 Senior technical advisor for HIV Prevention, UNAIDS Southern and East Africa Region, Johannesburg regional office.
- 2012 Technical lead for Marie Stopes International/United Nations Foundation project on integration of family planning and HIV prevention in six developing countries, including Cambodia and Ethiopia site visits.
- 2012 Technical advisor for Johns Hopkins Social Communication project design and assessment of the HIV behavioral change strategy in Mozambique.
- 2011 Technical advisor for USAID-Tanzania on assessing the HIV prevention strategy.
- 2010-2011 Principal technical advisor for University of California, Berkeley study of family planning and safe abortion service delivery in rural Ethiopia.
- 2010 Technical advisor for Southern African Development Community (SADC) regional initiative on HIV prevention, Gaborone.
- 2010 Principal technical advisor for workplace-based HIV prevention project in Lesotho.
- 2009-2010 Lead technical advisor for World Bank-funded HIV/AIDS evaluation in St. Vincent and the Grenadines.
- 2006-2010 Core researcher/technical advisor on UNFPA/Imperial College study of declining HIV prevalence and associated behavior change trends in Zimbabwe.
- 2009 Technical advisor for USAID-South Africa on HIV prevention strategy development.
- 2009 Technical advisor on HIV prevention and behavior change qualitative research and long-term strategy development in Haiti.
- 2008-2009 Lead technical advisor for World Bank HIV/AIDS epidemiological review and analysis of the Caribbean region.
- 2008-2009 Technical advisor for USAID/Mozambique Gov. and NGOs on HIV prevention and behavioral change strategy development, Maputo, Beira and Gaza.
- 2008 Technical advisor for USAID/University Research Institute study of male circumcision acceptability and feasibility in Namibia.
- 2008 Technical advisor for Population Services International male circumcision pilot project in Zambia.

- 2007-2008 Technical advisor for UNAIDS' HIV Reference Group on Estimates, Modeling, and Projection.
- 2007-2008 Technical advisor for Gates Foundation/London School of Hygiene and Tropical Medicine study of international neonatal male circumcision practices.
- 2007-2008 Technical advisor for CDC/Population Services International studies of multiple concurrent partnerships and HIV prevention in Botswana and South Africa.
- 1998-2002 Core Faculty of University of California, San Francisco Center for AIDS Prevention Studies/NIH Fogarty Program International Scholars Training Program.
- 2001 Visiting Scholar, South Africa Medical Research Council; conducted study on HIV risk perception, sexual behavior, gender, alcohol use, and related HIV/AIDS issues in Soweto, Northwest Province, and Kwa-Zulu Natal Province, South Africa.
- 1982-2002 Consultant for documentary productions by PBS/NOVA, Discovery Health Channel, BBC, WebMD, etc.
- 1985-2001 Consultant/technical advisor for USAID-funded and various other HIV and other international health projects in Brazil, the Dominican Republic, Haiti, South Africa, Mozambique, Botswana, Zimbabwe, Central America, Peru, and Colombia.
- 1995-1998 Conducted multi-disciplinary study on HIV/STDs, substance use, sexual behavior, and clinicians' practices among Latino and other inner-city clients and providers at public STD clinics in northern California.
- 1979-1980 Founder/Organizer, San Jose Pinula Cross-Cultural Exchange Project; leading undergraduate students from UC Berkeley to San Jose Pinula, a rural Guatemalan community.
